Commission on Colleges
1866 Southern Lane, Decatur, GA 30033

Dear Dr. Wheelan,

In keeping with the Southern Association of Colleges and Schools' Principles of Accreditation: Foundations for Quality Enhancement, St. Philip's College would like to notify you of a substantive change implemented fall 2019.

In spring 2019, St. Philip's College was informed that San Antonio Christian School wished to end the dual credit partnership between the two parties; (Off-campus Instructional Site notification dated June 5, 2014, SACSCOC acceptance dated August 1, 2014). Subsequently, the last dual credit courses in the Associate of Arts program were offered at the off-campus instructional site in spring 2019.

As San Antonio Christian School has severed the partnership, St. Philip's College has attached a teach out plan for consideration and approval.

Please let me know if you have any additional questions or concerns regarding this matter.

Sincerely,

Randall Dawson

Teach-out Plan

San Antonio Christian School – Associate of Arts

A teach-out plan is a written plan developed by an institution that provides for the equitable treatment of students if an institution, or an institutional location that provides fifty percent or more of at least one program, ceases to operate before all students have completed their program of study, and may include, if required by the institution's accrediting agency, a teach-out agreement between institutions. Teach-out plans must be approved by SACSCOC in advance of implementation.

To be approved, a teach-out plan must include the following information:

1. Date of closure (date when new students will no longer be admitted)

Fall 2019 San Antonio Christian School ended their partnership with St. Philip's College. Spring 2019 they had their last set of students go through the Associate of Arts program. The high school is offering these courses with another college.

2. An explanation of how affected parties (students, faculty, staff) will be informed of the impending closure.

Parents/students were informed by the school administration when the switch to the other school was finalized. Students have other opportunities for Dual Credit at other colleges or universities.

3. An explanation of how all affected students will be helped to complete their programs of study with minimal disruption.

The students continue taking the dual credit courses offered through other colleges and universities.

4. An indication as to whether the teach-out plan will incur additional charges/expenses to the students and, if so, how the students will be notified.

No cost to Dual Credit students.

5. Copies of signed teach-out agreements with other institutions, if any.

There is not a signed teach-out agreement for the courses with San Antonio Christian School. Not applicable.

6. How faculty and staff will be redeployed or helped to find new employment.

Most instructors were St. Philip's College full-time instructors who are still employed by the college. Other instructors were St. Philip's College adjunct instructors who had the opportunity to continue teaching with the college. The school staff at San Antonio Christian School are still employed at the school.

7. If closing an institution, arrangement for the storing of student records, disposition of final financial resources and other assets.

Not applicable. St. Philip's College and San Antonio Christian School are operational institutions as of May 28, 2021.
