Reminder

The Coordinator/DAR is encouraged to run their Discipline Participation Report around the “midpoint” for any part of the term to ensure faculty have LOADED their course assessments into eLumen!

You may be asking: “How can I tell if faculty have loaded their assessments by reading the Faculty Participation Report?”

Planning SLOs and Ensuring Faculty Have Entered Assessments Midway in Semester

Course or Section	Course Coordinators or Evaluators	Enrolled Students	SLO Assessment					Completed Assessments
			Planned SLOs	CSLOs Assessed	Students Scored	Total Scores for All Assessments	N/A Scores for All Assessments	
(SGNL) American_Sign_Language					0	0		
SGNL1302			1					
Section 2219	Instructor 1	77	5	5 of 5	71 of 71	355 of 355	0 of 355	0 of 4
Section 2248	Instructor 2	54	5	0 of 5	0 of 54	0 of 0	0 of 0	0 of 0
Section 2261	Instructor 3	10	5	2 of 5	54 of 54	108 of 108	0 of 108	0 of 3

- 1 Be sure that all SLOs are planned by checking the *Planned SLOs* column. The number of SLOs planned for the course should be the same number as the last number in *CSLOs Assessed* column.
- 2 The *CSLOs Assessed* column will be complete when the first and second number are the same (e.g. 5 of 5). If the numbers show a “0 of” (e.g. 0 of 5) or a number not equal to the *Planned SLOs* (e.g. 2 of 5), it means that the instructor has not addressed all the SLOs through assessments.
ACTION: Coordinator/DAR communicates with Instructor to add more assessments to cover all planned SLOs.
- 3 Midway through the semester, instructors should be entering their assessments. The *Completed Assessments* column will show a “0 of” number of assessments. If any read as 0 of 0, it means the instructor has not entered any assessments.
ACTION: Coordinator/DAR communicates with Instructor to add assessments in eLumen.
