

WHOA

BAE-B!

BAE-B-SAFE at SAC educates and empowers young adult students about healthy sexual behaviors

BAE-B-SAFE offers:

- » Clinic and healthcare provider information
- » Birth Control information
- » STI (Sexually Transmitted Infections) information
- » Free condoms

Resources available to all students and community members:

- » Our team can answer questions related to sexual and reproductive health as well as provide referrals to local clinics and healthcare providers.
- » We have partnered with clinics and providers to offer information regarding teen-friendly and low-cost birth control methods and testing.

For walk-in services, no appointment is necessary.

For all other services, call (210) 486-0140 or visit <https://orgsync.com/151944/chapter>.

[Ask about our sexual health education sessions: earn \\$\\$\\$ gift cards and many other incentives if you are 14-19 years old \(20 years old if parenting or pregnant; if ages 14-17, you must provide our signed parental consent form\).](#)
