

2019 DISTINGUISHED GRADUATE

Evan Blackwell

Visual Arts

“Whenever someone creates something with all of their heart, then that creation is given a soul.”

-The Cat Returns

Evan was born and raised in San Antonio and began attending San Antonio College through online dual credit classes at the age of sixteen. She discovered a love of art history after taking an art history survey class and decided to change her degree plan early in her education. Evan also discovered she had an interest in creating art and has since produced a wide range of pieces. In her time at SAC, Evan was awarded two Excellence in Writing Awards, and had several of her artworks displayed in the annual juried exhibition of student work. Through the Visual Arts Department, Evan was able to work an internship in the McNay Art Museum which led to her becoming a recurring volunteer at McNay’s events and a member of the College Night Committee. Evan is proud that she has been able to maintain a 4.0 GPA and obtain her associate in arts degree. She is looking forward to completing her bachelor’s in art history at the University of North Texas.
