-Japanese Proverb

**R**uby Byrne was born in Vietnam and moved to America in 2007. She will graduate from San Antonio College with two associates degrees in photography and nutrition. She is also a member of the Phi Theta Kappa Honor Society.

Ruby has traveled to over 30 countries to photograph people, and experience new cultures around the world. Her work has been published in many national and international magazines.

She has been married to her husband Jeffrey Byrne for 11 years and, in 2016, they welcomed their beautiful son, Isaac, into the world. The moment he was born, her priorities changed. Being a mom motivates Ruby to work harder towards her degrees so she can give her son his best chance in life. Her favorite thing to do is to take Isaac traveling with her, to show him what a beautiful world we live in.

After graduating from SAC, she plans to transfer to UTSA and seek a bachelor's and master's degree in dietetics studies.
