

2019 DISTINGUISHED GRADUATE

Joseph Montalvo

Computer Support Specialist

“What would you do if you weren’t afraid?”

- Dr. Spencer Johnson

Joseph Montalvo grew up in a large family of three brothers and three sisters where he learned the meaning of hard work and sacrifice by the actions of his parents. He has a beautiful wife of 14 years, a three-year-old son and a foster daughter with down syndrome. He is a proud member of Phi Theta Kappa Honor Society Beta Nu Chapter at San Antonio College. He worked as a custodian at UT Health San Antonio while he attended SAC and has maintained a cumulative 4.0 GPA during his college career. When he is not working or studying, he loves to spend time with his family exploring the surrounding Hill Country or enjoying the Texas coast. He will be receiving an associate degree of applied science in computer support specialist in May 2019. He is looking forward to earning his degree and starting his career. He thanks his family and friends for the support they have given him throughout his time at school. He would especially like to thank his wife, Brandy, for her continued encouragement and sacrifice.
