

2019 DISTINGUISHED GRADUATE

Amanda Pina

Dental Assisting Level 1 Certificate

“I’ve learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel.”

- Maya Angelou

Amanda Pina is from Del Rio and moved to San Antonio in 2014. She is married and has a seven-year-old son by the name of Damian, who is her pride and joy. She started the dental assisting program in Fall 2018, and will earn her certificate in dental assisting in May 2019. She plans to work for a pediatric dental office where she will help guide children in the importance of oral care and aid in making their experience comfortable.

When she isn’t in school, Amanda is also a full-time mother and employee. She plans to continue her education to obtain her associate in dental science. Her goal is to become a dental hygienist where she plans to educate the importance of oral health. Her passion is to help others and those around her. She is caring, outgoing and always looking for ways to make people laugh. She is very blessed that she has people who love her and support her and without them she would not have been able to accomplish her goals.
