“You can start late, look different, be uncertain, and still succeed.”

- Misty Copeland

Jasmine Trejo was born in Dallas and moved to San Antonio at the age of 12. She discovered her love for dance during her years at McCollum high school where she was an active member in the dance team. Jasmine began to pursue her associate degree in dance at San Antonio College in the spring of 2018.

San Antonio College has provided Jasmine with opportunities to participate in many dance performances which include; The Spring Show, The Young Choreographer’s Concert, Works in Progress, and Sactacular. Outside of school, she interns at the Teresa Champion Dance Academy as a hip-hop instructor. In Jasmine’s free time, she enjoys spending time with her family and two dogs, Jaxon and Koko.

Jasmine’s goal is to encourage those around her to never give up on their dreams no matter the circumstances and would like to thank her family and friends who have supported her throughout her journey thus far. Jasmine is honored to complete her degree at San Antonio College. She plans on pursuing her bachelor of arts in dance with a minor in Special Education at Texas State University.
