30 Years of Creating Opportunities for Success

Northwest Vista College (NVC), part of the Alamo Colleges District, celebrates 30 years of education, engagement, and experience in the Westover Hills area of San Antonio.

From its start in 1995 with 12 students, NVC has grown to over 20,000 students who have earned associate degrees and certificates. Students also have an opportunity for a new baccalaureate in cloud computing.

For thirty years, NVC has earned recognition for student learning, advising, and campus preservation, earning top regional and national rankings. In 2007, NVC earned the Texas Award for Performance Excellence and contributed to the Alamo Colleges District's two Malcolm Baldrige National Quality Awards (2018, 2024), the highest honor for performance excellence in higher education.

Adding to these milestones, NVC was a 2025 finalist for the Aspen Prize for Community College Excellence, placing it in the top 1% nationally.

Thank you to our students, community, faculty, and staff for 30 great years. We eagerly look forward to creating more opportunities for success.

Congratulations Class of 2025

*The Alumni Association
congratulates each graduate
and extends a warm welcome
to their new members –
the Class of 2025.*

*You are encouraged to stay
involved at Northwest Vista
College, so we can continue
creating opportunities for
your success.*

*To activate your Alumni
Association membership,
email NVC-Alumni@alamo.edu.*

*Please respond with your
preferred personal email address.*

Message from the President

You did it, Vista graduates!

Congratulations on reaching this incredible milestone! Today is your day — a time to celebrate everything you've achieved through hard work, resilience, and determination. On behalf of the entire Northwest Vista College family, I couldn't be prouder.

Watching you cross the stage is one of the greatest joys of my role as President. Each of you has a story of persistence, strength, and growth, and today you add your story to Vista's proud 30-year legacy of creating opportunity and changing lives.

Take a moment to soak it all in — to celebrate with those who've cheered you on and supported you along the way. You've overcome challenges, stayed

focused, and never stopped believing in yourself. That kind of perseverance will take you far.

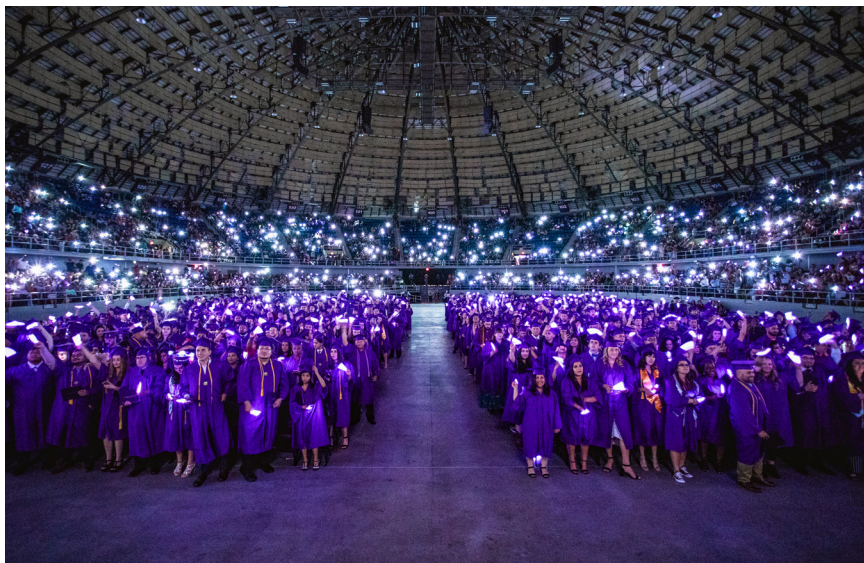

Vista Wildcats are leaders, innovators, and changemakers. You're ready to make your mark — in your career, your community, and wherever your dreams lead you next. And remember, you'll always be part of the Vista family — we'll be here, cheering you on.

As you grow and explore new paths, keep learning. Come back to Vista to upskill, earn a new credential, or take the next step in your journey. Our doors are always open, and your future is full of possibilities.

Now go out there, make a difference — and show the world what a Vista Wildcat can do!

Sincerely,

Dr. Amy Bosley
President,
Northwest Vista College

2025 Distinguished Graduate

Janell Casias

Janell Casias has long held the dream of a college education. As she steps onto the commencement stage on May 22, 2025, she carries with her a history of challenges that have fueled her resolve. The Distinguished Graduate Award, sponsored by GM Financial, recognizes students for their campus and community involvement, leadership, and dedication to Northwest Vista College. This year, it honors Janell Casias, a student whose journey to this milestone is marked by remarkable resilience and lifelong pursuit of education.

Currently a medical assistant and-office manager for a pulmonary care group in San Antonio, Janell plans to pursue a bachelor's degree in nursing at St. Philip's College with a focus on critical care. Looking ahead, she also hopes to establish a nonprofit organization dedicated to supporting pregnant teens with mental health resources and other essential services.

Janell understands the challenges faced by teen moms. At the age of 14, she became a mother. By 16, she endured the loss of her own mother

and navigated early adulthood largely on her own. Demonstrating remarkable resourcefulness, Janell used her savings to buy a foreclosed home with cash at the age of 20.

While the remodeling process was lengthy, her four-bedroom, two-bathroom house became the home she envisioned.

Janell, who eventually became a mother of four, always knew that college was necessary, yet she prioritized her children and never wanted them to feel like they were an obstacle to her ambitions. Ten years ago, she said she attempted to attend classes, but the demands of raising young children and being in a difficult marriage created significant barriers.

The shift towards online learning following COVID provided Janell with a renewed opportunity. With her children now more independent and free from a marriage that stifled her aspirations, she re-enrolled in college. Balancing full-time work with online classes proved to be the key to achieving her long-held educational goal. Reflecting on her journey, Janell has learned a valuable lesson she shares with others: "You have to believe in yourself and make that first step."

For Janell, earning her associate's degree is a powerful fulfillment of a promise made to her 13-year-old self, a significant milestone on a journey that she confidently knows will continue with pursuing a master's degree.

Congratulations to the top three finalists of the
2025 Distinguished Graduate Award:

Janell Casias – Award Recipient
Vivian Lesmes Reyes
Susan 'Suzzie' Olvera

Candidates for Graduation

Students wearing yellow cords are receiving honors,
which are marked in the program with the following symbols:
§ Summa Cum Laude 3.9-4.0
‡ Magna Cum Laude 3.75-3.89
† Cum Laude 3.5-3.74
