Quality Enhancement Plan – Ethical Decision-Making

St. Philip's College is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC). Part of this process is the QEP (Quality Enhancement Plan) to promote student success. Our QEP topic is Ethical Decision-Making.

QEP Focus: Ethical decision-making is the ability to connect values and choices to actions and consequences.

QEP Goal: Students engage in specific measurable academic activities to enhance their ethical decision-making skills.

Ethical Decision-Making Process:

- *Stop and think to determine the facts.
- *Identify the options.
- *Consider consequences for yourself and others.
- *Make an ethical choice and take appropriate action.

MESSAGE FROM OUR VICE PRESIDENT:

Greetings SPC Tigers –

Happy 4th of July and welcome to all of our new students. St. Philip's has an array of resources available to ensure your success as a student, so be sure to take a look at all of our student support resources listed on the our ["Remote Ready" website](#). Within this publication you will also find an array of information, all geared to support your academic pathway. Take care and know that St. Philip's College is committed to your success.

AlamoCARES

For more information, contact Dr. Mordecai Brownlee, Vice President of Student Success at 210-486-2252.

St. Philip's College is committed to providing a supportive learning environment and to fostering safe, healthy relationships among our students. In this effort, Alamo Colleges District initiated AlamoCARES, a prevention, education and support program regarding dating violence, domestic violence, sexual assault and stalking. It is our sincere hope that AlamoCARES will empower you to make well-informed decisions about life issues that affect your college years and beyond.

Within the AlamoCARES site, you will find information on rights granted by **Title IX** and resources to help educate and assist you when dealing with harassment and sexual violence. Coming soon are events, training and opportunities to bring awareness when dealing with difficult issues and creating discussion opportunities with students. Visit us at <http://alamo.edu/spc/alamocares/> for more information.

The Alamo Colleges District encourage individuals to bring forward information/complaints about sexual harassment and sexual violence. **Retaliation** against any **individual who reports or participates** in the investigation of alleged violations is **strictly forbidden** and will be **enforced** by the College administration.

If you believe you have experienced **Sexual Misconduct** you may consider the following options:

- Contact **Campus Police** at 210-485-0099 (non-emergency) or 210-485-0911 (emergency)
- Seek **medical attention** at a hospital or with a physician
- **Report the incident** at www.alamo.edu/TitleIXCoordinator/ (call John Martin 210-486-2746)
- **Contact SPC Counseling Services** at 210-486-2333 (for confidential counseling and or referrals)
- Contact **parents, relatives or close friends** for support

H.1.1 Equal Education and Employment Opportunities (Policy) www.alamo.edu/district/policies/

AlamoCARES has additional **Title IX** information and resources at: www.alamo.edu/spc/AlamoCARES

ATTENTION STUDENTS!

All entering freshmen, former and transfer students are now required to complete "**Sexual Assault Prevention for Community Colleges**". Sexual Assault Prevention for Community Colleges is an online survey and course addressing critical life skills. The training is our way of informing St. Philip's College students about **Title IX** standards, reporting violations and resources available. **All entering freshmen, former and transfer students are required to complete the training before the end of their first semester of classes at St. Philip's College (to avoid a registration hold being placed on their account).**

To access the Sexual Assault Prevention for Community Colleges training:

1. Always sign in through ACES at <https://alamoaces.alamo.edu>.
2. Look for the AlamoCARES box on the Student tab and read the important message before accessing the course. Note: an alternative training is available; see your Vice President for Student Success for assistance.
3. Click on the link provided, and complete the confidential pre-survey at the start of the course. The Alamo Colleges District does not receive a copy of your responses.
4. The quiz at the end of the course is required to document your completion, but the score is not recorded and will not impact you in any way. Completion is documented on your student record.

You Have the Right to Feel Safe.

New Student Orientation (NSO):

New Student Orientation is mandatory for all First Time in College, Returning, and Transfer students planning to enroll at SPC. By completing your New Student Orientation Canvas course you will become more familiar with the college lingo, college resources, college policies/procedures, learn about payment and financial aid options, and academic advising.

NSO has moved remotely to a Canvas platform and is accessible via your student ACES portal within 2-3 business days upon successful completion of the Online Registration Form. The preferred browser for the course is Google Chrome. All students must have a current/active admissions application on file to register and participate in the Canvas course.

Please visit our NSO site here: <https://www.alamo.edu/spc/academics/academic-resources/academic-advising/new-student-orientation/>.

Group Advising (GA): Group Advising provides students with a small group and one-on-one advising assistance for registration for new or returning students. Students are provided information about their certification, degree, and/or transfer advising guide as well as provided guidance on selecting and registering for classes for the upcoming semester.

Students must complete all steps in the Enrollment Process and NSO to schedule a Group Advising session after completion of New Student Orientation. Failure to complete any or all parts or both the enrollment process or Canvas course in ACES will hinder your ability to register.

Steps in the Enrollment Process include:

- Complying with the bacterial meningitis law
- Completing the Go FAARR and Test Prep Modules
- Taking the TSI Placement Exam or providing qualifying exemption scores
- Complete Refresher courses (if applicable)

Laptop and Internet Hotspot Check-Out for Students:

CENSUS 2020:

Your response matters:

It is estimated that an undercount of Texas' population by even 1% in 2020 could result in a \$300 million loss of federal funding. To learn how Census data impacts you and your community [click here](#), or visit <https://2020census.gov/>.

Did you know . . .

By law, the Census Bureau cannot release any identifiable information about you, your home, or your business, even to law enforcement agencies. That's protected under Title 13 of the U.S. Code.

When you respond to the census, your answers are kept anonymous. They are used only to produce statistics. To learn more about how we protect your privacy [click here](#), or visit <https://2020census.gov/>.

CENSUS 101: WHAT YOU NEED TO KNOW

The 2020 Census is closer than you think!
Here's a quick refresher of what it is and why it's essential that everyone is counted.

- Everyone counts.**
The census counts every person living in the U.S. once, only once, and in the right place.
- It's about fair representation.**
Every 10 years, the results of the census are used to reapportion the House of Representatives, determining how many seats each state gets.
- It's in the constitution.**
The U.S. Constitution mandates that everyone in the country be counted every 10 years. The first census was in 1790.
- It's about \$675 billion.**
The distribution of more than \$675 billion in federal funds, grants and support to states, counties and communities are based on census data. That money is spent on schools, hospitals, roads, public works and other vital programs.
- It's about redistricting.**
After each decade's census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for population shifts.
- Taking part is your civic duty.**
Completing the census is mandatory: it's a way to participate in our democracy and say "I COUNT!"

AlamoPROMISE Program - Complete your steps!

We are Admissions, Business Office, Student Financial Aid at 210-212-5266, or Toll Free at 1-844-202-5266.

March 20 was the priority date to complete the remaining steps needed to be considered an AlamoPROMISE scholar in Fall 2020. In sensitivity to the COVID-19 situation, remaining items submitted after the priority date will be considered on a space available basis.

Alamo Colleges District and its partners are committed to ending poverty, enhancing economic and social mobility and meeting workforce demands in our city by joining forces to help more students complete college and obtain the necessary skills to hold high-wage, high-demand jobs. For more information visit <https://www.alamo.edu/promise/about/>.

It is our goal to allow as many eligible students as possible to take advantage of the exceptional opportunity offered by **AlamoPROMISE**. Continue with items 2 and 3.

1. (The period for new "Save Your Seat" application is closed.)
2. File for Financial Aid (Free application for FAFSA or TASFA) by March 20
3. Apply to an ACD College (www.applytexas.org) by March 20

Completing these steps ensures that tuition and mandatory fees at the Alamo Colleges are covered for Bexar County students who graduate from participating high schools. As last-dollar funding, **AlamoPROMISE** covers the gap between financial aid and the cost of tuition for up to three years. Your household income does not disqualify you and because we know plans sometimes change, you are not locked into a commitment.

Alamo Colleges District Family,

Immigrants played a vital role in our nation's success pre-COVID and will continue to as our country transitions from response to recovery during this pandemic. DREAMers — immigrants brought to the U.S. as children — are eligible for the Deferred Action for Childhood Arrivals (DACA) program, which was terminated by the Trump administration and has been the center of years of litigation. This week, the U.S. Supreme Court ruled to preserve DACA, temporarily protecting DREAMers from deportation. The Alamo Colleges District and our family of colleges — Northeast Lakeview College, Northwest Vista College, Palo Alto College, St. Philip's College and San Antonio College — celebrate the Supreme Court's decision.

Focused on students and empowering our diverse communities for success, the Alamo Colleges leadership in 2017, and again in 2019, declared their support for our DREAMers students, faculty and staff, recognizing the valuable contributions they provide to the region. As part of this support, we established a DACA/DREAMers resource website, a districtwide DREAMers Advisory Council that consists of administrators, faculty, frontline staff, advisors/counselors and campus police, and enrollment support services tailored for DREAMers.

Our nation, and especially Texas, relies on and benefits from, the economic contributions of DREAMers. Approximately 107,000 DACA recipients live in Texas, the second highest population of DREAMers nationwide. DREAMers also matriculate in our Texas institutions of higher education at a high rate — 66,000 total in Texas. These men and women contribute to the vitality of our economy, attend our colleges and universities, work in key industries and improve our quality of life. They are hardworking individuals that include nearly 27,000 healthcare workers nationwide who have been fighting on the frontlines against COVID-19.

The Supreme Court's decision, while positive, is not the final step. Without a legislative solution to the DACA program, DREAMers, the schools they attend, and the businesses which employ them, will continue to face uncertainty about the future. Now more than ever, our community is relying on a stable workforce to make the everyday decisions that will contribute to the economic recovery of our region. DREAMers deserve a legislative solution that allows them to fully participate in our society.

We commit to our DREAMers students, faculty and staff to remain welcoming and open to all and continue to urge congress to find a legislative resolution for DACA.

Alamo Colleges District Family,

In the midst of a worldwide pandemic and international protests advocating for Black lives, our U.S. Supreme Court has affirmed what so many of us have believed, that companies can't and shouldn't discriminate against LGBTQ individuals in the workplace. The Alamo Colleges District and our family of colleges - Northeast Lakeview College, Northwest Vista College, Palo Alto College, St. Philip's College and San Antonio College, express our support of the Supreme Court's landmark decision providing necessary protections for the LGBTQ community.

In 2014 and again in 2016, the Alamo Colleges leadership voted and approved explicit policies supporting and protecting our LGBTQ community. Through our Equal Employment and Education statements, we reaffirmed our commitment to prohibit discrimination in any form against students and employees of the Alamo Colleges. For more than 75 years, the Alamo Colleges District has made it our mission to focus on students and empower our diverse communities for success. This week's decision only mirrors what we have been practicing for years and hold as a core value — Respect for All.

While this decision provides more equitable support for the LGBTQ community, our work is not finished. Our nation and state have much to do to dismantle both legal and cultural systems of discrimination.

We will continue to urge our elected officials to enact laws and policies that protect the LGBTQ community.

In Service,

Marcelo Casillas, Chair of the Alamo Colleges Board of Trustees

Dr. Mike Flores, Chancellor

Dr. Veronica Garcia, President of Northeast Lakeview College

Dr. Ric Neal Baser, President of Northwest Vista College

Dr. Robert Garza, President of Palo Alto College

Dr. Adena Williams Loston, President of St. Philip's College

Dr. Robert Vela, President of San Antonio College

June 18, 2020

Tomorrow is Juneteenth; it is a day that commemorates the ending of slavery in the United States. It's sometimes called Freedom Day because it celebrates the day, on June 19, 1865, when Union Soldiers landed in Galveston, Texas, and shared the news that slavery had ended – more than two years after the signing of the Emancipation Proclamation.

It's disheartening that for two years African-Americans toiled and remained enslaved when their freedom had already been officially granted. But, what is more devastating, is that 155 years later our African-American community still isn't completely free. More than a century and a half after the end of slavery, black people are still being mistreated, discriminated against and unjustly killed. Black people in our country don't feel free to jog in their own neighborhoods for fear of ending up like Ahmaud Arbery, they don't feel the freedom of safety in their own homes for fear of ending up like Breonna Taylor and some individuals don't feel free to simply breathe like Eric Garner and George Floyd. We have heard these feelings echoed within our community and within our Alamo Colleges District family.

As we approach Freedom Day, we want our African-American students, faculty and staff to feel free within our organization, but even more to feel valued. This means that, at the Alamo Colleges District, Black Lives Matter! Black lives matter to our Alamo Colleges family and to our community, as evidenced by the protests and dialogues that have been happening all around us over the last few weeks. And Black Lives Matter to our faculty, administrators and staff. But these need to be more than words. We must translate them into actions.

In keeping with our mission to “empower our diverse communities for success,” and, in light of recent events and the weight of history, the board and the district leadership of the Alamo Colleges District and its colleges is rededicating itself as an advocate and champion for our communities of color — especially the African-American community.

In a separate email this week you will receive information on some of the actions we are already taking to address equity, diversity and inclusion gaps, and we are planning remote summits to discuss this critical issue and how we should respond to what is happening in our community and country today.

There is a great deal of work to be done, but I have faith that we have the skill, resolve and perspective from diverse experiences to meet this challenge head on, until Black Lives Matter to everyone.

What should I do if I believe an enforcement action has taken place that is inconsistent with this guidance? The Dept. of Homeland Security (DHS) has explained that there are a number of locations where individuals may lodge a complaint with DHS about a particular immigration enforcement action that may have taken place in violation of these or other policies. Locations and instructions are on the DHS website <https://www.dhs.gov/>, the Customs & Border Protection (CBP) website <https://www.cbp.gov/>, or Immigration & Customs Enforcement (ICE) website <https://www.ice.gov/>. You may also contact the CBP Information Center to file a complaint or compliment via phone at 1-877-227-5511, or submit an email through the website at <https://help.cbp.gov/>.

You may contact ICE Enforcement and Removal Operations (ERO) through the Detention Reporting and Information Line (1-888-351-4024), the local ERO office: San Antonio Field Office (210-283-4750), or the online form at <https://www.ice.gov/webform/ero-contact-form>. The Civil Liberties Division of the ICE Office of Diversity and Civil Rights may be contacted at 1-202-732-0092 or ICE.Civil.Liberties@ice.dhs.gov.

Where should I report discrimination if I believe it is taking place in my school? Anyone with information about discrimination occurring in schools, including discrimination on the basis of race, color, or national origin (which may include citizenship or immigration status), may file a complaint by contacting the U.S. Department of Education, Office for Civil Rights via <https://www.state.gov/s/ocr/>, 1-800-421-3481 or TDD: 1-800-877-8339; (for language assistance contact 1-800-USA-LEARN {1-800-872-5327}) or by contacting the U.S. Department of Justice, Civil Rights Division, Educational Opportunities Section via <https://www.justice.gov/crt/educational-opportunities-section>, 1-877-292-3804, or TTY: 1-800-514-0383.

Will enforcement actions ever occur at sensitive locations? DHS has explained that immigration enforcement actions may occur at sensitive locations in limited circumstances, but should generally be avoided. DHS officers and agents from U.S. Immigration and Customs Enforcement (ICE) or U.S. Customs and Border Protection (CBP) may conduct an enforcement action at a sensitive location only with prior approval from an appropriate supervisory DHS official, or if the enforcement action involves exigent circumstances related to national security, terrorism, public safety, or where there is imminent risk of destruction of evidence material to an ongoing criminal case.

FACT SHEET FOR FAMILIES AND SCHOOL STAFF: LIMITATIONS ON DHS IMMIGRATION ENFORCEMENT ACTIONS AT SENSITIVE LOCATIONS

All children have a right to a free public education, regardless of their actual or perceived immigration or citizenship status or that of their parents.¹ Education leaders, teachers, students, and families, have asked questions about guidance that was released by the U.S. Department of Homeland Security (DHS) that limits immigration enforcement actions from occurring at schools and other “sensitive locations.” This DHS guidance is at: <https://www.cbp.gov/border-security/sensitive-locations-faqs>. To respond to those questions, the U.S. Department of Education has worked with DHS to prepare this fact sheet, intended to help parents, families, educators, and other school staff understand the DHS guidance.

In general, DHS has explained that immigration enforcement actions may not occur at or in “sensitive locations.”

These locations include:

Schools, such as known and licensed daycares, pre-schools and other early learning programs; primary schools; secondary schools; post-secondary schools up to and including colleges and universities; as well as scholastic or education-related activities or events.

School bus stops that are marked and/or known to the officer, during periods when children are present at the stop.

Medical treatment and health care facilities, such as hospitals, doctors' offices, accredited health clinics, and emergent or urgent care facilities.

Places of worship, such as churches, synagogues, mosques, and temples.

Religious or civil ceremonies or observances, such as funerals and weddings.

During public demonstrations, such as a march, rally, or parade.

Central Texas Office for Refugees launches new hotline for refugee services

The [Central Texas Office for Refugees](#) (CTOR) launched a hotline to reach underserved refugee populations including Asylees, Cuban/Haitian entrants, and victims of human trafficking. The hotline was created to assist those who might be experiencing barriers to accessing critical services and is available in 5 languages. CTOR can help with food, medical care, cash assistance, housing, employment, English classes, transportation, and more. Visit https://www.rstx.org/who-we-are/ctor.html?mc_cid=cc04aaefee&mc_eid=0498ef8875.

To access the hotline call or text "**Hello**" to 844-286-7797 for locations and more information about CTOR programs. Phone support is available in English, Kinyarwanda, Nepali, Spanish, and Tigrinya. Text support is available in English and Spanish.

The Public Charge Rule took effect Feb. 24, 2020

The Public Charge rule took effect February 24 for all green card applications. It is important to remember a few important things about this rule:

1. The rule doesn't affect everyone, **only** those who are applying for a green card through a family member or employer, or applying for certain non-immigrant visas.
2. The rule **does not affect people** who already have green cards, applying for citizenship, are refugees or asylees, have VAWA status, U or T visa status.
3. The new rule adds certain public benefits to consideration when applying for a green card. The **benefits that USCIS will look at** are: TANF, Social Security Supplemental Income (SSI), food stamps (SNAP), Medicaid, Section 8 housing benefits, and subsidized housing. Benefits received by your U.S. citizen children will not count against you.
4. If the program is not on the list it is not considered under the new rule. Head Start, school lunch, WIC, immunizations, unemployment benefits, or tax credits, **are not benefits** that will automatically be weighed against you under this new rule.
5. There is a new form that will have to be included with your green card application. The new form asks for a lot of information about your household finances, your education, whether you have health insurance, and your credit history.
6. The rule took effect February 24, 2020, so if your application is on file before that time, the new rule won't apply to you. Any benefits you receive before February 24th won't count against you.
