The Spring 2025 Teaching and Learning Fridays series offers a dynamic space for educators to connect, learn, and grow.

Featuring expert-led workshops and practical strategies, these sessions inspire teaching excellence and foster collaboration.

With topics ranging from mastering Canvas to innovative learning techniques, the series provides fresh insights to tackle today's educational challenges. Modality varies, with some sessions held on Zoom and others in person.

Please scan the QR code to check our Teaching and Learning calendar for details. Designed to be practical, impactful, and transformative, this is where educators elevate their craft.
