

Academic Advising Syllabus

Mission

The Academic Advising Team empowers students to achieve their educational goals by working together to build connections in an effort to facilitate shared responsibilities for success.

Vision

NLC will provide every student with an exemplary, effective, and personalized pathway to success through academic and career advising.

Northeast Lakeview College is committed to providing quality academic advising and information about available resources to support you with achieving your desired educational goal. We will guide and support your completion of a certificate and/or associate degree; your transition to a four-year institution; or your entry into the workforce. NLC Academic Advising Services will be your partner throughout your time here at NLC.

Strategic planning for continued success

As a student, you are responsible to:

- ✓ Be proactive. Read all of your emails in ACES as this is the official communication method for Northeast Lakeview College. Your ACES email is different than the course messages in your CANVAS. Monitoring your academic progress in Alamo GPS via your ACES account.
- ✓ Create and commit to an academic plan that supports certificate and/or degree completion and/or successful transfer. Commit to Completion.
- ✓ Meet critical deadlines for registration, financial aid and payment deadlines, add/drops, and application for completing your degree and/or certificate.
- ✓ Be prepared to discuss goals and educational plans. Ask questions if something is not clear or you have a concern. Be open and willing to consider all options and recommendations.
- ✓ Inform your Certified Academic Advisor of important changes that directly affect your academic performance and educational goals.
- ✓ Be an engaged and active learner in your educational journey.

Your Certified Academic Advisor will:

- ✓ Provide you with a professional, courteous and understanding academic advising experience.
- ✓ Provide you with an overview of Northeast Lakeview College Student Services.
- ✓ Provide you with information on college and community resources.
- ✓ Provide you with specific career information and transfer plans for your career institutes and programs.
- ✓ Provide you with assistance in developing an Individual Success Plan (ISP).
- ✓ Provide you with assistance in scheduling and registering for courses.
- ✓ Assist you with developing action plans if you are on academic or financial aid suspension.
- ✓ Provide you with assistance in completing your graduation application.
- ✓ Monitor your academic progress.
