

Connecting your Android Device to a Wireless Network

1. On your Android device, select Settings icon.

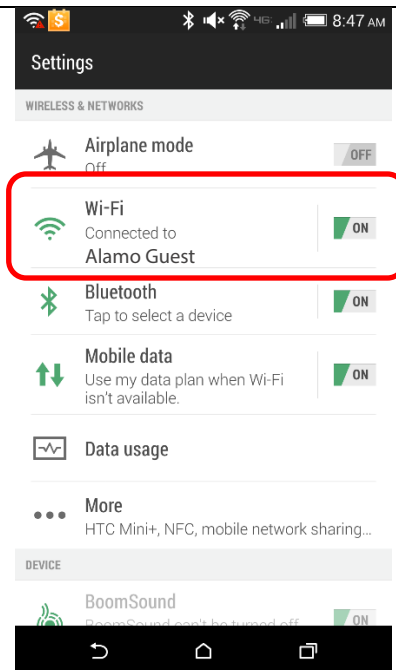

2. Under Settings, tap Wi-Fi Settings and make sure Wi-Fi is turned on.

3. Tap your Network Name (SSID) from the list of available network.	
4. Tap Connect.	

5. You are now connected to Alamo Guest.

6. Open a web browser, and enter your Alamo College Student Email, then tap Log In.
