

BEHAVIOR AGREEMENT

The Palomino Adventure Youth Camp provides children aged 5-11-years with the opportunity to engage in STEM activities, physical activities, and fine arts activities. However, to allow children to fully engage in the camp activities, it is vital that parents/guardians be aware of the behavior conduct guidelines established by the **Alamo Colleges District Procedure F.4.4.1 Non-Academic Misconduct Disciplinary and Appeal Process**, along with the following items listed below:

1. We ask that students show complete respect and courtesy to camp director, staff, and campmates.
2. We ask that students follow instructions and participate fully in camp activities to the best of their ability.
3. We ask that students keep their electronic devices on silent and put them away during the camp session.
4. We ask that students keep track of their personal belongings. Palo Alto College is **not responsible** for any lost, stolen, and/or damaged items.
5. We ask that students follow camp guidelines regarding when and where food is allowed.
6. We ask that students act accordingly while commuting through the campus building(s). College credit classes will be in session, and instructors may be administering lectures or exams.

The following actions will be taken to correct inappropriate behavior:

- **First warning:** The student will receive verbal counseling explaining the issue and they will be instructed to discontinue the behavior.
- **Second warning:** The student's parent/legal guardian will be contacted and depending on the severity of the misconduct, Campus Police may be contacted for the purpose of creating a report.
- **Third warning:** The student will be withdrawn from **the summer camp without a refund.**

Should your child have special needs (physical or learning disability), please contact our Disability Support Services office at 210-486-3020, Palomino Center, Room 116.

By signing below, student and parent/guardian are agreeing to all of the statements above, hereby obeying and understanding:
