## Jonnica Fuller

**MORTUARY SCIENCE**

*“You do not fear. You do not falter. You do not yield.”*

**Sarah J. Maas**

Jonnica LeeAnn Fuller was born and raised in the small country town of Taft, Texas. She graduated from Taft High School as a member of the National Honor Society and was in the top 10 percent of her class. She returned to school 18 years after graduating high school. It is never too late to pursue your dreams.

First and foremost, Jonnica is a mother to four beautiful children: Dylan Andrew, Kilian Reye, Phoenix Marche, and Erawyn Jizelle. They are the reason she is here today. She is also a dog mother to Precious and Godzilla. She is also happily married to SAPD Detective Jerry Fuller.

Jonnica is a book collector and reading has been a saving grace throughout her life. After reading a mortician’s autobiography, she applied to the Mortuary Science Program. The rest is history.

After graduation, Jonnica will begin her apprenticeship in the funeral industry to obtain her funeral director and embalmer license. She plans to serve the city of San Antonio and the surrounding areas.
