## Danell Gonzales

DRAMA

*“And though she be but little, she is fierce!”*

**Helena, A Midsummer Night’s Dream,  
William Shakespeare**

Danell V. Gonzales was born and raised in San Antonio. She is 22 and has been at San Antonio College for three years. After graduating high school in 2020, during the pandemic, Danell decided to take a gap year until 2021, when she decided to earn her associate degree at SAC in drama.

Throughout her three years at SAC, Danell was involved in several of the drama department’s productions. Danell has loved performing since she could remember and it is because of SAC that she was able to do what she loves while earning her degree. When it came to her studies, Danell was lucky enough to have some amazing professors and directors in her corner and she couldn’t be more grateful. Danell would also love to thank the lifelong friends she made during her time at SAC and all the fond memories she will carry forever.

Danell could not have accomplished her education without the love and support she received from her family and loved ones. Everything she does is for them and she hopes to continue to make them proud! After SAC, Danell wants to continue her career in acting with film and stage projects.
