

Distinguished Graduate

2024

Meagan Garcia

ASSOCIATE OF ARTS IN TEACHING EC-6

“When something is important enough, you do it even if the odds are not in your favor.”

Elon Musk

Meagan Renee Garcia was born and raised in San Antonio. She graduated from Business Careers in 2016, and her academic journey led her to San Antonio College in the fall of 2022. Demonstrating academic excellence, she proudly made the Dean’s List in spring of 2023 and became a member of the National Society of Leaders and Success.

In fall of 2023 she achieved a significant milestone by obtaining her associate degree in teaching at SAC. This accomplishment strengthened her commitment to a future in education. Her life took a unique turn when she was part of the foster system, getting adopted at the age of nine. This transformative experience fuels her ambition to make a difference in children’s lives.

Currently pursuing her bachelor’s degree at UTSA, she aims to graduate in fall of 2025. Motivated by the impactful role teachers play in shaping young minds, she aspires to become an educator, dedicated to positively influencing the lives of the next generation.

Meagan is profoundly grateful for the unwavering support from Damian, who gave her the courage to go back to school, as well as her friends, brothers, sister, and teachers, who never gave up on her.
