DENTAL ASSISTING

“Never be so polite you forget your power. Never wield such power, you forget to be polite.”

Taylor Swift

Ruth Abigail Rodriguez is a first-generation college student graduating with her associate in applied science degree through the dental assistant program at San Antonio College.

She is determined, reliable, and helpful. While she is not at school, you can find her at work or spending time with her loved ones. On Sunday mornings she attends mass and throughout the day on Sunday she is a catechist. She works on preparing the morning 2nd grade class for their first communion and helps with the Pre-Confirmation Youth Group on Sunday afternoons.

She is an avid iced coffee and Alani drinker. She loves to bake, watch movies, listen to music, and go shopping. Ruth feels very blessed with her journey so far and hopes to continue to grow in the dental field as the years go by.

She is not ashamed to show the world where she came from and who she aspires to be. Ruth is proud to have been raised by a family of immigrants who have fought and worked so hard to give her the opportunities that she has today.

Todo lo que es y espera ser, se lo debe a sus padres.
