## Jazmin Victoria

**BIOLOGY PRE-PROFESSIONAL**

*“A diamond earns its sparkle from the pressure it endures.”*

**Matshona Dhlwayo**

Jazmin Victoria is a 24-year-old pre-med student born and raised in San Antonio. She is the oldest of six, a first-generation college student, and a full-time medical assistant. Being a doctor has always been Jazmin’s aspiration. She was salutatorian of her class in high school and graduated a year early. She enjoys challenges and takes pride in her work ethic.

In her free time, she enjoys listening to music, traveling, and going to concerts. Most importantly, she enjoys being a devoted daughter, sister, godmother, and aunt.

Jazmin is a member of the National Society of Leadership and Success and Phi Theta Kappa Honor Society. In the midst of wrapping up her journey at San Antonio College, she earned her associate of science degree within a year. Since then, she has enrolled online at Arizona State University to obtain her Bachelor of Science in biomedical sciences to further achieve her path as a doctor and help her community.
