

2025 *Distinguished* GRADUATE

ALIXANDRIA ROSE POER | Mortuary Science

Alixandria Rose Poer was born in Corpus Christi and graduated from Richard King High School with honors. She was a member of the National Alpha Beta Club, maintained placement on the AB Honor Roll, and graduated in the top 12% of her class. Her academic journey began at Texas A&M University–Corpus Christi before she eventually relocated to San Antonio to pursue a career in mortuary science.

Alixandria is an avid reader and committed civil servant, known for her volunteer work and participation in community fundraising events. Her passion for the funeral service profession has fueled her academic success and personal growth, shaping her vision for the future.

She plans to continue her education and earn a degree from Texas A&M University–San Antonio, with aspirations that reach beyond the classroom. Her personal goals include running a marathon, earning a master's degree, and building a fulfilling career in the funeral industry. In the long term, Alixandria hopes to return to the field as an educator, teaching future generations of mortuary science professionals.

Her ultimate goal is to become a respected leader — someone others can lean on for support, guidance, and compassion in their most difficult moments.

“Try once more
like you did before,
sing a new song,
Chiquitita.”
