

2025 *Distinguished* GRADUATE

NINIVETH MARTINEZ | Dental Assisting, Level 1 Certificate

Niniveth Martinez was born and raised in San Antonio and is passionate about building a meaningful career in the dental field. After graduating from MacArthur High School in 2023, she set her sights on dental assisting with the goal of not only providing quality care, but also helping patients feel more at ease in a dental setting. Her hope is to positively influence how people experience oral healthcare — making it more welcoming and less intimidating.

Outside of her studies and work, Niniveth enjoys spending time with friends, catching up on her favorite shows and movies, and especially traveling with her family. She cherishes every opportunity to explore new places, create lasting memories, and stay connected to the people she loves.

Looking ahead, Niniveth plans to continue her journey in the dental field as a dental assistant while expanding her knowledge and hands-on experience. Her long-term goal is to return to school to become a dental hygienist — furthering her ability to care for others and make a lasting impact in the lives of her patients.

“Our doubts are traitors and make us lose the good we **oft might win** by fearing to **attempt**.”

— William Shakespeare
