

2025 *Distinguished* GRADUATE

REGANNE ARDOUREL | Music Business

Reganne Ardourel is a multi-passionate creative whose interests span art, writing, hiking, photography, and — most deeply — music. A lifelong music lover, she first joined choir in the fourth grade, setting the foundation for a journey that would take her across the world. At just 15, she traveled to Italy with the Ronald Reagan High School Choir to compete in the Leonardo Da Vinci International Choral Festival, where the group took home the grand prize.

After graduating from Ronald Reagan High School in 2021, Reganne took time to reflect and explore her next steps. In 2022, she began studying music business, diving further into her passion for the industry. She also sang with the chamber choir for two semesters, continuing to nurture her love for vocal performance.

As her college experience progressed, Reganne developed an interest in the more technical aspects of the music world. During her final semester, she stepped into a leadership role as president of the Courtland Music Business Association, where she successfully led efforts to establish the organization as an official student club.

Reganne aspires to build a career working at a large-scale music venue, combining her love for live performance and event production. Alongside this path, she plans to pursue freelance work in music video production, photography, writing, and creative projects that keep her connected to the diverse interests that fuel her artistic spirit.

“If you choose not to decide, you still have made a choice. You can choose from phantom fears and kindness that can kill. I will **choose a path** that’s clear, I will choose **freewill**.”

— Neil Peart
