

# 2025 *Distinguished* GRADUATE

## TYIA NICOLE HILL | Nursing

Tyia Nicole Hill is a dedicated nursing student with a strong academic foundation and a passion for patient care. She began her academic journey in 2021, earning an Associate of Science in Biology in 2023, and is currently completing her final semester in the nursing program.

Tyia's commitment to excellence has been evident throughout her academic career. She has earned honors such as the Dean's List in Fall 2021 and Spring 2023, and the President's List in Fall 2022. She is also a proud member of several distinguished organizations, including the National Society of Leadership and Success, Phi Theta Kappa Honor Society, and the Texas Nursing Students' Association. In 2024, she was recognized as a member of the prestigious Phi Theta Kappa All-Texas Academic Team.

With a deep interest in critical care, Tyia plans to begin her career as a registered nurse in intensive care settings. Her long-term goal is to earn a master's degree in nursing education, with the aspiration of returning to the classroom to mentor and educate the next generation of nurses. Tyia's journey is driven by a passion for helping others, a commitment to lifelong learning, and a desire to give back through leadership and teaching.
