

ST. PHILIP'S COLLEGE

151ST COMMENCEMENT CEREMONY

DECEMBER 13, 2024

FREEMAN COLISEUM

Dear St. Philip's College Class of 2024,

On behalf of the faculty, staff, and administration of St. Philip's College, I congratulate you on your achievement!

You have shown that you value higher education, and you've worked hard to achieve success. Your graduation has an impact on your family, industry, and community.

Our mission is simply the success of our students. St. Philip's started as a church school for black girls who were the daughters and granddaughters of emancipated slaves. The school focused on cooking and sewing, and helped girls build leadership and marketable skills.

St. Philip's College, one of the oldest and most diverse community colleges in the nation, turned 126 years old on March 1, 2024. We are both a historically Black college and a Hispanic-Serving Institution.

Since 1898, we have moved from our original location in La Villita to the current location on San Antonio's Eastside with an additional campus at the old Kelly Field on Quintana Road. Today, we are a multi-campus community college with students pursuing baccalaureate degrees, associate degrees, certificates, and awards that lead to high-wage, high-demand careers in support of regional economic growth.

We are excited that we have over 18,000 enrolled students this year -- a record number -- and you are a part of that milestone. The Bachelor of Applied Science Degree in Cybersecurity, which launched this fall, supports San Antonio's cyber hub, the second-largest in the nation. The first cohort will graduate in the Spring, but some of you are here today, completing with degrees and certificates that feed into the pathway to that achievement.

I commend you and applaud you for your persistence and completion. May you continue to serve as a role model and inspiration to your family and friends. Leave today's ceremony with the knowledge that you have gained the skills you now possess through hard work and perseverance, and proudly represent St. Philip's College.

My very best wishes in all your future endeavors.

Adena Williams Loston

Artemisia Bowden, Holy Woman

Artemisia Bowden, a teacher and administrator at St. Philip's College for more than a half-century, received recognition by the Episcopal Church as a Holy Woman.

On June 30, 2015, at the 78th General Convention of the Episcopal Church, in Salt Lake City, the Church authorized adding the name of Dr. Artemisia Bowden to its liturgical calendar in "Holy Women, Holy Men: Celebrating the Saints." August 18 is her designated feast day.

Dr. Adena Williams Loston, President of St. Philip's College, said it was fitting the Episcopal Church recognized Bowden's service. "Miss Bowden came to San Antonio as a very young person, with no relatives here or network. She had to establish herself in a new community, but she had the church which brought her here," Loston said. "The only strong relationship she had was with the church."

A graduate of St. Augustine Normal School in Raleigh, North Carolina, Bowden, daughter of a former slave, taught for two years in North Carolina before becoming principal of St. Philip's. "Our highest ambition is to send from our institution true, God-fearing women, who are not ashamed of the truth and whose characters are spotless," Bowden wrote in a 1904 report on St. Philip's.

Loston said Bowden deserves the title "Savior of St. Philip's" because she found ways to keep the school open after the Episcopal Church withdrew its financial support. "To raise funds, she took a quartet of singing students around the country, she bartered chickens and eggs, she discontinued taking a salary, and brought her relatives to teach at no cost," Loston said.

Bowden earned a bachelor's degree from St. Augustine College in 1935 and did graduate work at Columbia University and the New York School of Social Work. She received honorary degrees from Wiley and Tillotson Colleges. She retired in 1954.

Today, Bowden is remembered through the Bowden Eye Care & Health Institute, open through the University of the Incarnate Word, and Bowden Academy in SAISD. St. Philip's College has a Bowden Legacy Building, Saint Artemisia Bowden Building, and Artemisia's, the classroom-restaurant that is part of the Tourism, Hospitality and Culinary Arts Department.

Artemisia Bowden was named President Emeritus, St. Philip's College, by Alamo Colleges Board of Trustees on September 15, 2015.

Alayna Morgado

Invocation

In 2020, during the pandemic, Alayna Morgado's life came to a standstill. Reflecting during quarantine, she courageously returned to school after 20 years. Growing up near St. Philip's College, she was inspired to enroll and serve as Student Government Association President.

Alayna's resilience stems from managing childhood asthma, which taught her the value of health and discipline. Her greatest challenge came in late 2020 when she was hospitalized with double COVID-19 pneumonia, placed in a medically induced coma, and spent 70 days in intensive recovery. Through rehabilitation, she regained basic skills and a renewed appreciation for life.

Now a certified respiratory care practitioner, she is pursuing a second associate degree in health information technology with aspirations of becoming a hospital administrator. Alayna's story of perseverance and strength is a powerful reminder of the human spirit's ability to overcome adversity and embrace new beginnings.

Casey Needs

Introduction of Commencement Speaker

At 29, Casey Needs began a new chapter by enrolling in a phlebotomy program, quickly launching her career at a local hospital's lab.

After giving birth to her fourth child, she was motivated to show her children that dreams have no age limit. This led her to pursue a Medical Laboratory Technician (MLT) degree at St. Philip's College, despite facing numerous challenges.

Through perseverance, hard work, and the support of her professors and peers, Casey was able to achieve her goal. For Casey, graduation is much more than an academic milestone; it represents a personal victory.

Her journey is a testament to resilience, determination, and the belief that with commitment, anything is possible. Her story encourages others to keep pushing forward, no matter the obstacles, and to always strive for success. Casey's journey is proof that dreams are never out of reach.

Daveon Johnson

Commencement Address

When Daveon Johnson became a student at St. Philip's College, he immediately felt supported by the faculty and staff, reaffirming it was the right place to pursue his goals. During his time at SPC, he has grown as a leader and strengthened his public speaking skills.

In March 2023, Daveon showcased his expertise by presenting on computer operating systems at SPC's 14th Annual Women in Non-Traditional Occupations (WINTO) Conference. The following year, he contributed to the Democracy Schools panel at the Texas HBCU Conference, sharing insights on public leadership and its challenges.

As president of Collegiate 100, Daveon attended the 100 Black Men of America Conference in Atlanta, gaining valuable professional etiquette skills. He is also a member of the Blue Blazer Society, advocating for men's mental health awareness on campus.

Daveon proudly represents SPC as the college's 2024 White House HBCU Scholar.

Shadara Quinn

Benediction

Shadara Quinn's educational goals are driven by her desire to use her personal experiences to support others. As she navigated challenges with depression and self-doubt, she discovered her love for reading and writing, which guided her to a passion for literature.

While attending St. Philip's College, she balanced two jobs, was a full-time student, and contributed as an editor for the student publication Tiger PAWS (Personal Academic Writing Space).

Her commitment to her studies stems from her desire to act as a role model and create opportunities for women everywhere.

Shadara's story highlights the power of healing, self-discovery, and the importance of pursuing one's passion, regardless of personal obstacles. After graduation, Shadara plans to go to UTSA to pursue her bachelor's in English with the educational goal of earning a master's in library science and a psychology degree. She aspires to become a librarian and open a library one day.

Historical Sketch of St. Philip's College

Bishop James Steptoe Johnston of the West Texas Diocese, the son of a former slave owner, founded St. Philip's Episcopal Church in 1895. The church established on March 1, 1898, a sewing class for black girls with fewer than 20 students in a house located in the area known today as the La Villita Historical Arts Village in downtown San Antonio. The bishop sought to elevate the sewing class to a grammar school and brought Artemisia Bowden, a teacher and daughter of emancipated slaves, to assume leadership of the school in 1902.

Under the direction of Miss Bowden, over the ensuing 52 years, St. Philip's underwent monumental transformation, evolving from a parochial day school to an industrial school to a vocational school to a two-year college offering a diverse curriculum. Changes included a move in 1917 from the school's original site to a new location just east of downtown, and the creation of San Antonio Union Junior College District through an affiliation with San Antonio College and the San Antonio Independent School District in 1942. This marked the end of the college's era as a private institution. St. Philip's College became an accredited institution in 1951.

Today, St. Philip's College is a comprehensive multi-campus institution of the Alamo Colleges District, joining four other colleges - San Antonio

College, Palo Alto College, Northwest Vista College and Northeast Lakeview College - in meeting the educational needs of the region's growing and diverse communities.

St. Philip's College is both a Historically Black College and Hispanic Serving Institution. With an enrollment of more than 18,000 credit students, St. Philip's is among the oldest and most diverse community colleges in the nation.

In December 2023, St. Philip's College was approved to offer its first baccalaureate degree -- Bachelor of Applied Technology in Cybersecurity. This degree supports San Antonio's cyber hub, the second-largest concentration of cybersecurity jobs in the United States. The baccalaureate degree was the fulfillment of Artemisia Bowden's dream for the institution.

Dr. Adena Williams Loston serves as the 14th President of St. Philip's College. She assumed the reins on March 1, 2007, on the occasion of St. Philip's 109th anniversary. Under her leadership, the college has doubled in size.

Alma Mater: St. Philip's, St. Philip's

- I. St. Philip's, we love you because of your truth.
Your arms of protection have guided us from youth,
We love and adore you in all worthy praise,
We sing a sweet song, our voices we raise.

- II. St. Philip's, we love you because of your fame.
Because of your ideals that have no refrain.
We always adore you and cherish your name;
St. Philip's, St. Philip's, our greatest domain.

(Repeat second verse)

SUMMER CANDIDATES

§ Denotes Summer 2024 Graduates

ACADEMIC COSTUME AND REGALIA

Academic gowns represent a tradition which comes down from the universities of the Middle Ages. At that time they were a common form of dress for faculty and students.

The usual color for academic gowns is black, but the official color of the community college gown is blue. The bachelor's gown has long sleeves; the master's gown has slits in the elbows of the sleeves; and the doctor's gown is trimmed with velvet bands. Caps, originally round, later became square mortarboards.

The hoods once served as cowls which could be slipped over the head for warmth. Hoods are lined with colors of the college or university from which the wearer received his/her degree. The trimming or color of the hood designates the degree.

Project SURE students wear a blue and gray robe to represent their achievement in the program.

General Education Diploma (GED) students wear a light blue robe as a symbol of their achievement.

PRESIDENTIAL MEDALLION

The presidential medallion is worn by the President of the College/University at all Commencement Ceremonies as a sign of honor and regard for the institution's academic leadership. The medallion is imprinted with the official seal of St. Philip's College, and is inscribed with the former presidents of the institution and their tenures.

MACE AND GONFALON

Historically, the Mace is a symbol of authority dating from medieval times when knights carried them during processions leading the way before their kings or other dignitaries. As the tradition grew, the Mace became a ceremonial symbol of peaceful leadership, and maces were embellished with jewels and metals. Today, a college/university's mace represents a symbol of authority and the mace bearer leads the ceremonial procession and is carried before the president or chancellor and platform-party dignitaries during commencement and inaugural and other academic ceremonial processions.

The commencement Gonfalon is a banner which hangs from a cross pole, bearing the school colors, seal, and division name. It signifies the different divisions within St. Philip's College. The Gonfalons lead the student processional.
