

A person's silhouette is centered at the bottom of the frame, looking up at a vast, starry night sky. The Milky Way galaxy is visible as a bright, colorful band of stars stretching across the center of the image, transitioning from purple and blue at the top to orange and red at the bottom. The background is filled with numerous individual stars of varying brightness.

# Are We Wrong?

For thinking out of the box

A silhouette of a person stands at the bottom center, looking up at a vast, starry night sky. The Milky Way galaxy is visible as a bright, colorful band of stars stretching across the sky, with hues of purple, pink, and blue. The background is filled with numerous individual stars of varying brightness.

For choosing another way  
For trying to reach things we can't see  
For having a vision to change the world

NO!
